HARDIK Pandya	
AXAR Patel	
RASHID Khan	
JASPRIT Bumrah	
ARSHDEEP Singh	
FAZALHAQ Farooqi	

Extra/s:

SURYAKUMAR Yadav	
ANRICH Nortje	

In my recent analysis of the 2024 T20 World Cup, I found that 9 out of the 11 players I selected matched the ICC's Team of the Tournament. This close alignment shows just how accurate my evaluation of player performances was throughout the tournament. By focusing on key metrics and standout moments, I was able to identify the players who made the most significant impact on their teams, closely mirroring the official selections made by the ICC.
